THE SKY FEELS

CITY OF SKYBOUND DREAMS

It began as a road through the desert, a promise stretching into the unknown

Today it stands as the heartbeat of Dubai, alive with motion and meaning.

SHEIKH ZAYED ROAD

THE SPINE THAT BUILT A CITY.

Every tower along its edge
speaks of courage and creation.

Every light reminds us that
imagination has no finish line.

DUBAI

A GLOBAL DESTINATION

Dubai was not built on land alone; it was built on belief. A belief that the impossible is only the beginning, and that ambition can rise from sand and sea.

From humble roots to the heights of global recognition, the city has become a living symbol of vision.
Every dream that arrives finds a place to grow. Every culture leaves a mark that endures.

THE LANGUAGE OF PROGRESS

The skyline is more than architecture; it is the handwriting of progress.

Each tower tells a story of courage, and every light carries a promise to the world that greatness is not given, it is created.

WHERE 7 STORIES CONVERGE

Stretching from Abu Dhabi to Ras Al Khaimah, Sheikh Zayed Road is the spine of a nation, connecting seven emirates, seven cities, and seven distinct narratives into a unified vision.

Each kilometre resonates with ambition. Every tower, every light, every intersection mirrors determination, innovation, and the belief that excellence is cultivated, not granted

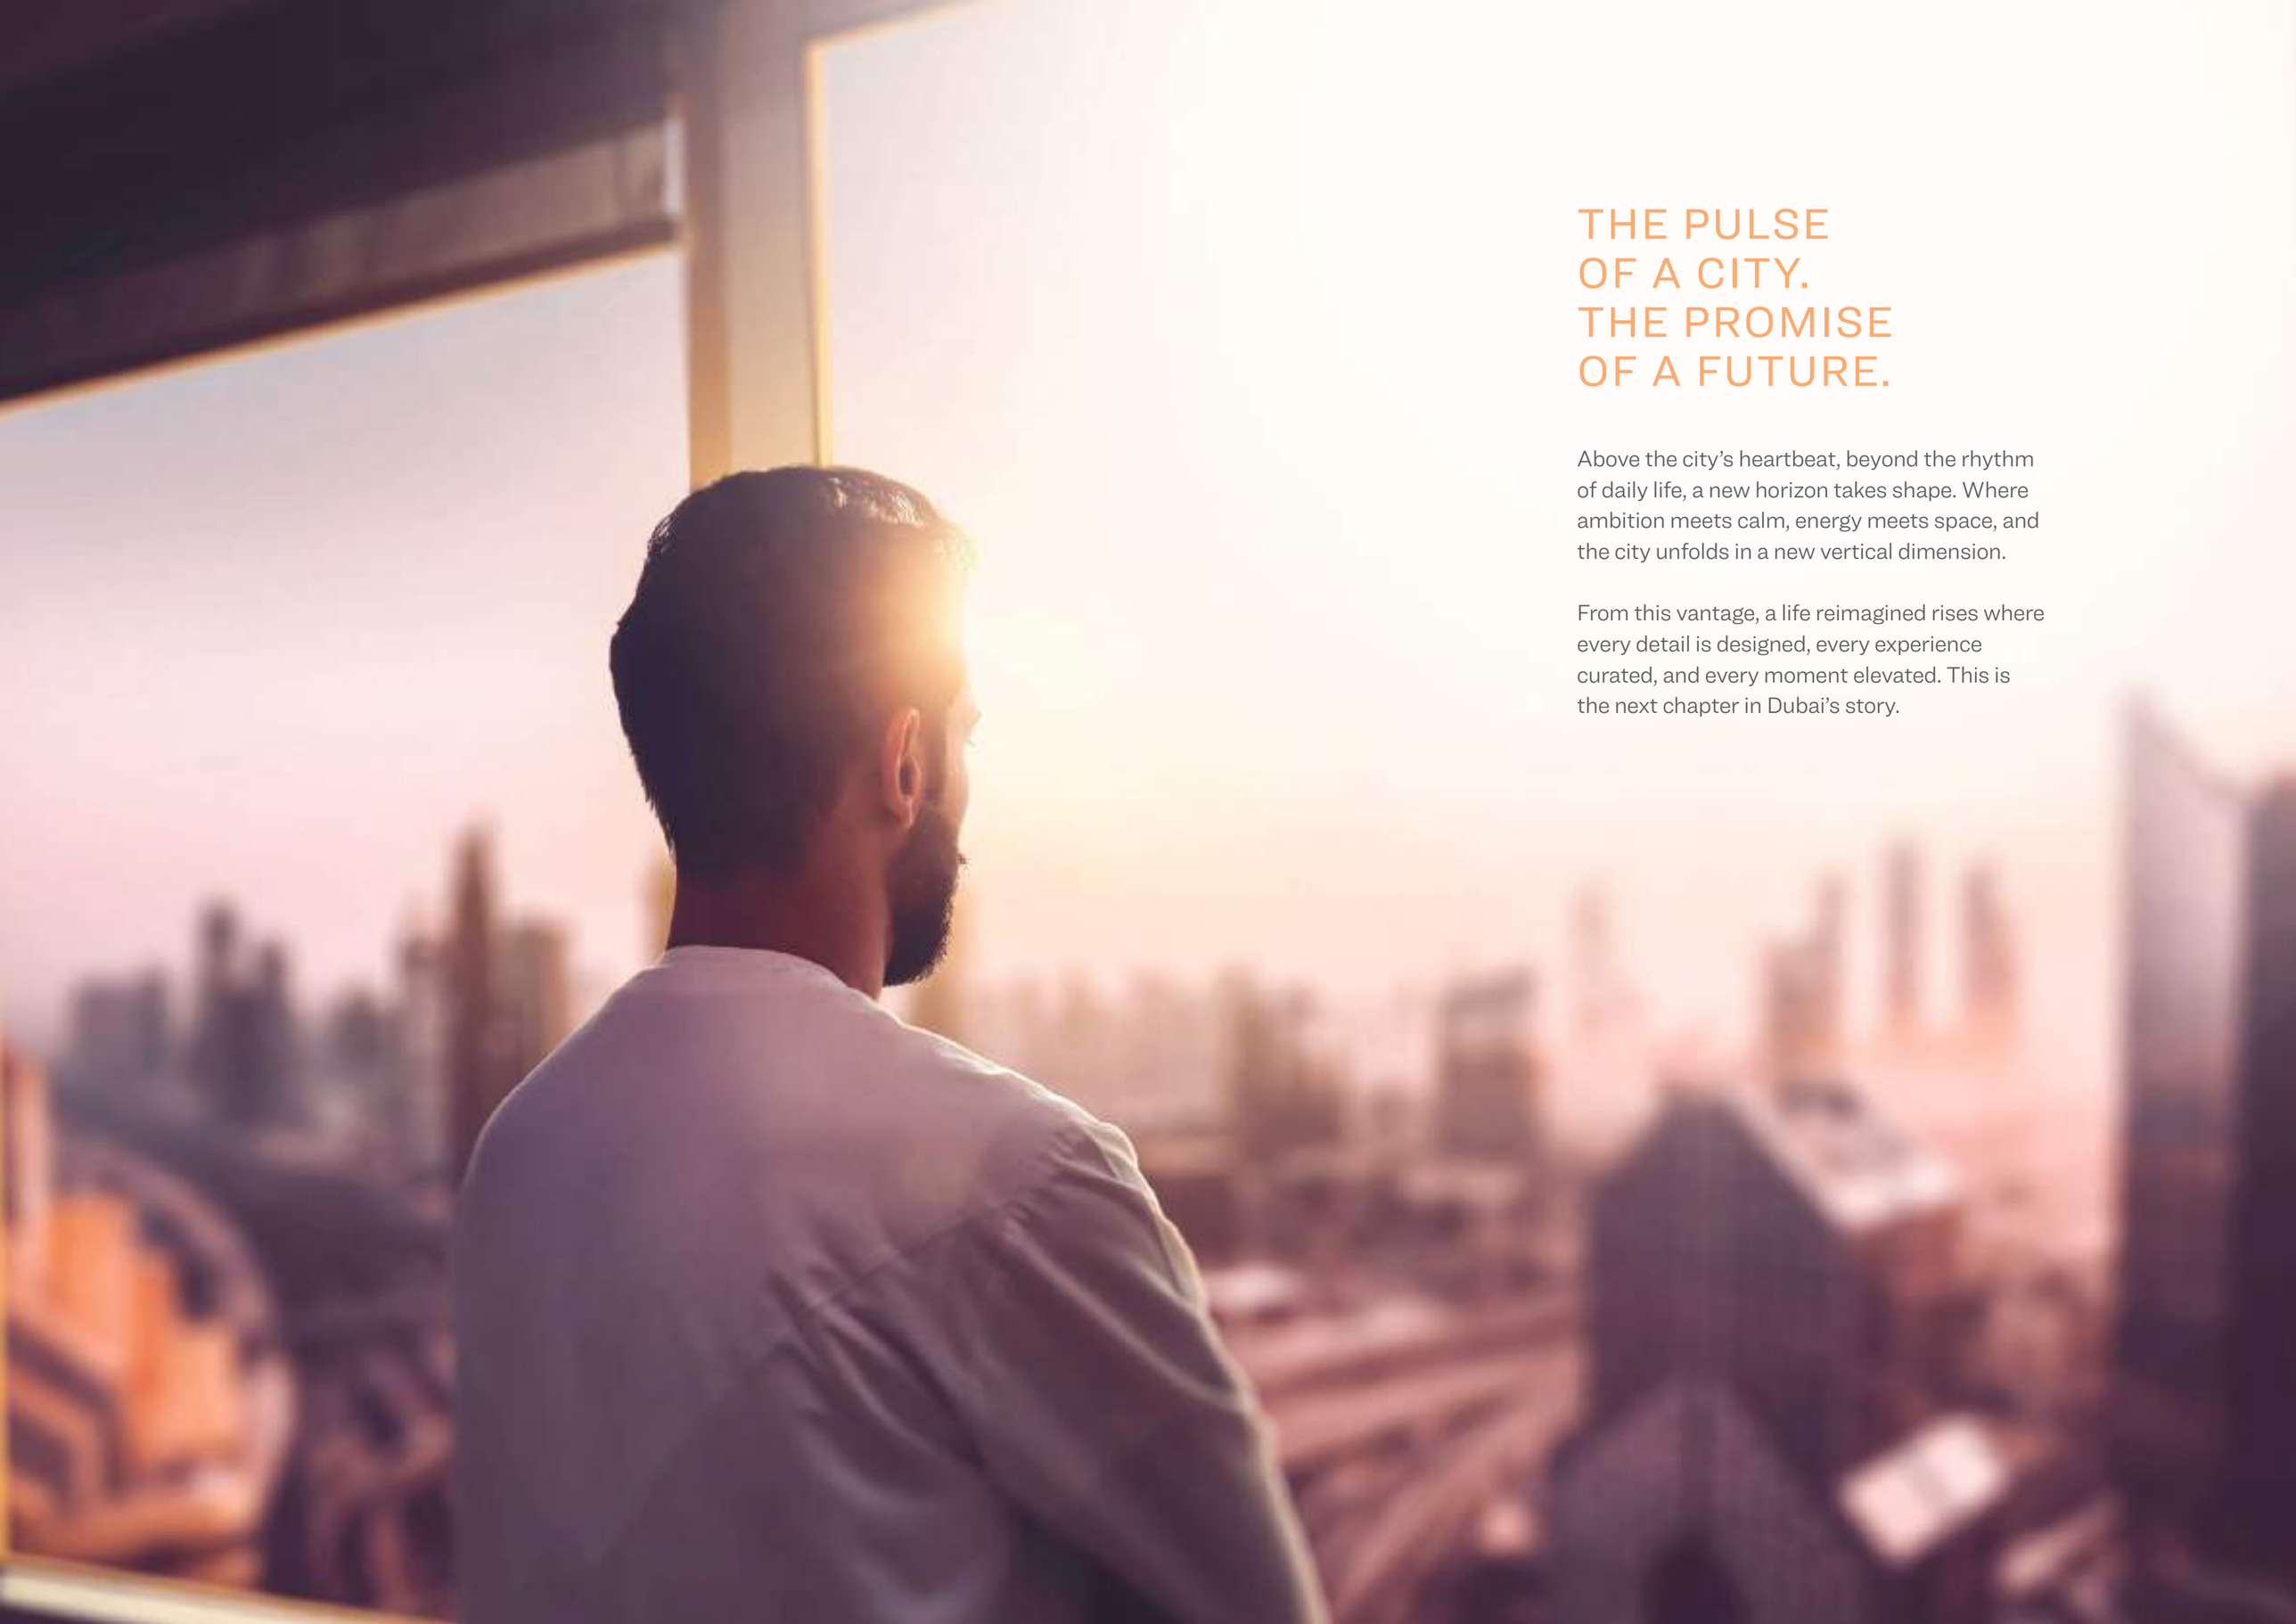

Along this path, Dubai emerges as a symbol where possibility meets motion, and every journey becomes a statement. The road itself narrates a story of connection, progress, and the promise of what lies ahead.

Abu Dhabi

Dubai

Ras Al Khaimah

THE PULSE OF A CITY. THE PROMISE OF A FUTURE.

Above the city’s heartbeat, beyond the rhythm of daily life, a new horizon takes shape. Where ambition meets calm, energy meets space, and the city unfolds in a new vertical dimension.

From this vantage, a life reimagined rises where every detail is designed, every experience curated, and every moment elevated. This is the next chapter in Dubai’s story.

INTRODUCING

SOBHA SKYPARKS

Rising along Sheikh Zayed Road, Sobha SkyParks is more than a landmark; it is a journey into the sky. Each level carries light, air, and calm, flowing through homes that breathe and spaces that feel alive. From street to skyline, every moment within Sobha SkyParks reminds you that life can be lived with openness, serenity, and connection to the city and sky alike.

COME HOME TO A LIFE ABOVE THE CLOUDS.

Rising along Sheikh Zayed Road, a landmark emerges as a sanctuary where architecture meets emotion, and every height holds a story.

WELCOME TO SOBHA SKYPARKS, WHERE LIFE FEELS LIGHTER AND EVERY HORIZON BEGINS ANEW.

THE NAME
AND ITS INSPIRATION

Sobha SkyParks takes its spirit from four vertical gardens spanning six floors, each a haven of greenery and flowing trails. These elevated gardens create a sense of calm in the sky, offering a quiet retreat from the energy of the city below. It is a space where nature threads through daily life, allowing you to stroll among lush greenery, pause under shaded canopies, and feel grounded even at great heights amongst the clouds.

THE ESSENCE OF SPACE

At Sobha SkyParks, every home is a stage for life in its fullest form. Sunlight pours through expansive windows, filling each room with warmth and welcoming the rhythm of daily living. Living spaces stretch freely, inviting movement, thought, and calm into every corner.

From levels 15 - 69, residents gaze over Sheikh Zayed Road, watching the city pulse with energy while the Arabian Sea shimmers in the distance. At higher floors of 70 - 108, golden sunsets spill across the skyline, painting towers, streets, and waves in hues of light and possibility.

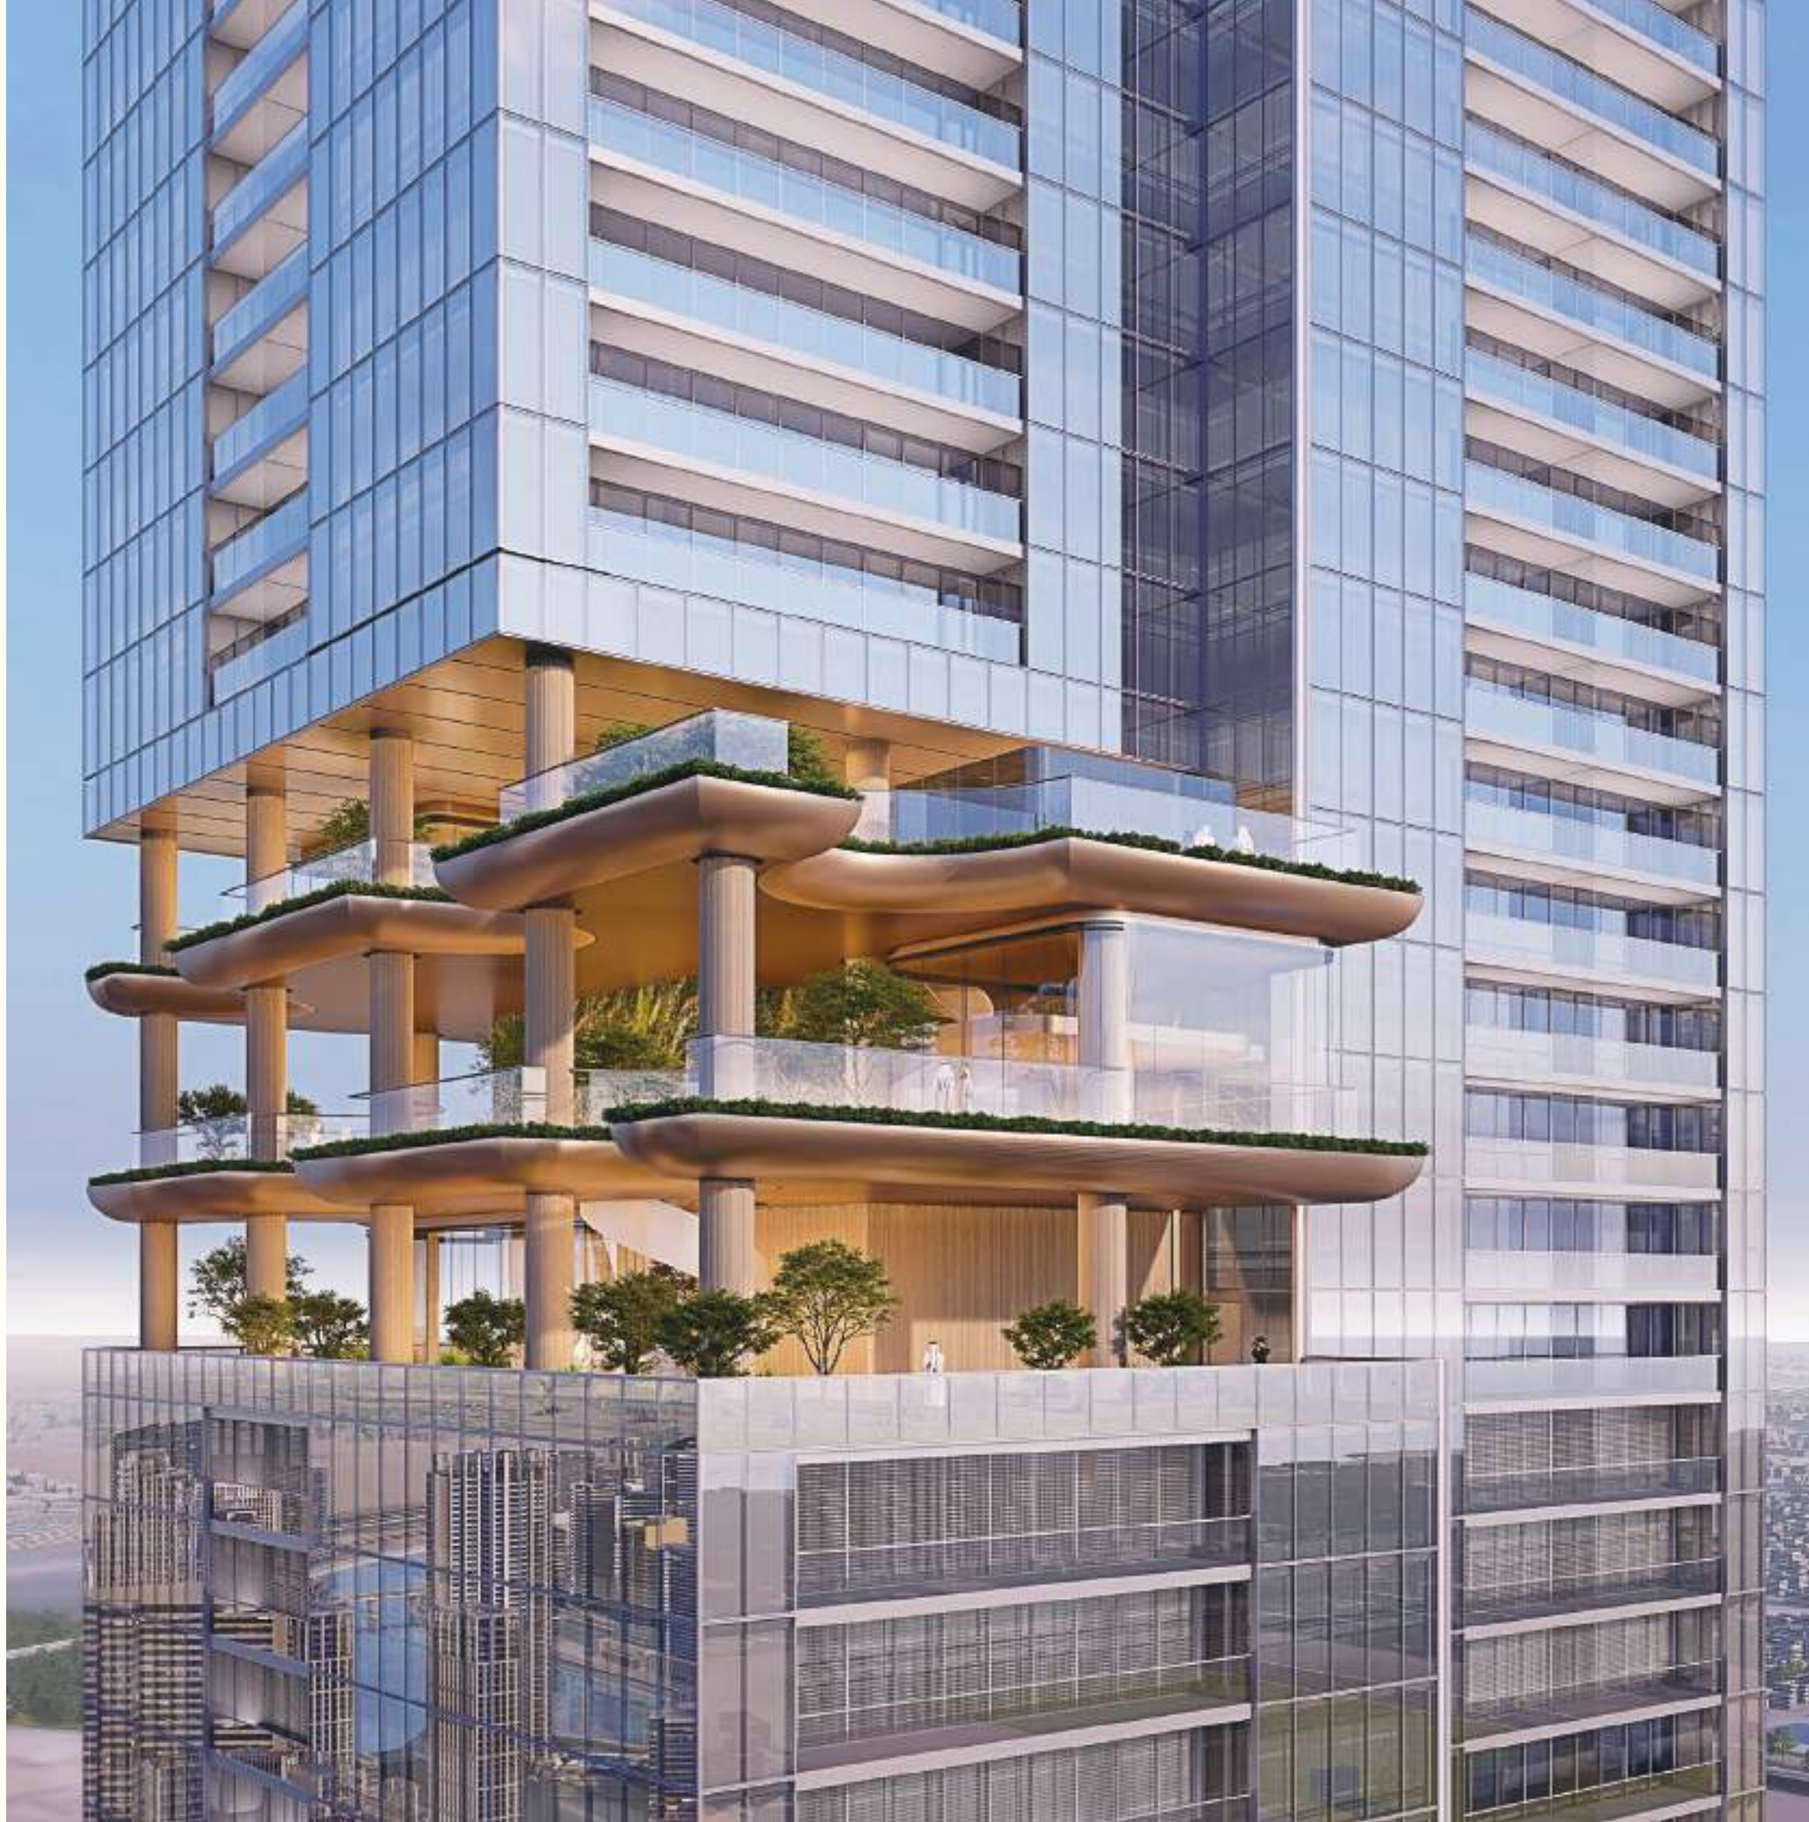

THE SKY AS YOUR LIVING ROOM

Imagine stepping onto the balcony after a long day at the 100th level or above. The air carries the faint scent of the sea, and the city below hums with quiet energy. You pause, taking in endless views that stretch from the skyline to the horizon, feeling the calm of open space surrounding you. Every moment is framed by light, openness, and a sense of freedom that only a home in Sobha SkyParks can offer.

LIVING ON THE EDGE OF LIGHT

The higher you go, the more expansive life becomes. Living here is not just about height, it is about perspective, about space that breathes, about days that open with sunlight and evenings that close with golden serenity.

Sobha SkyParks is where the sky meets home, and every day becomes a horizon of endless possibility.

A LANDMARK PERFECTLY POISED BETWEEN CITY AND SKY

Positioned along Sheikh Zayed Road, Sobha SkyParks rises where movement meets calm. To the north, the Arabian Gulf shimmers under sunlight. To the south, sunsets bathe the skyline in gold. To the east, the city's landmarks trace the horizon in light. Steps from the metro, life unfolds with effortless access, yet every moment feels elevated, quietly above the rhythm of the city below.

A TOWER THAT BREATHES VERTICALLY

A slender, sculpted form rising 450 meters into the sky.

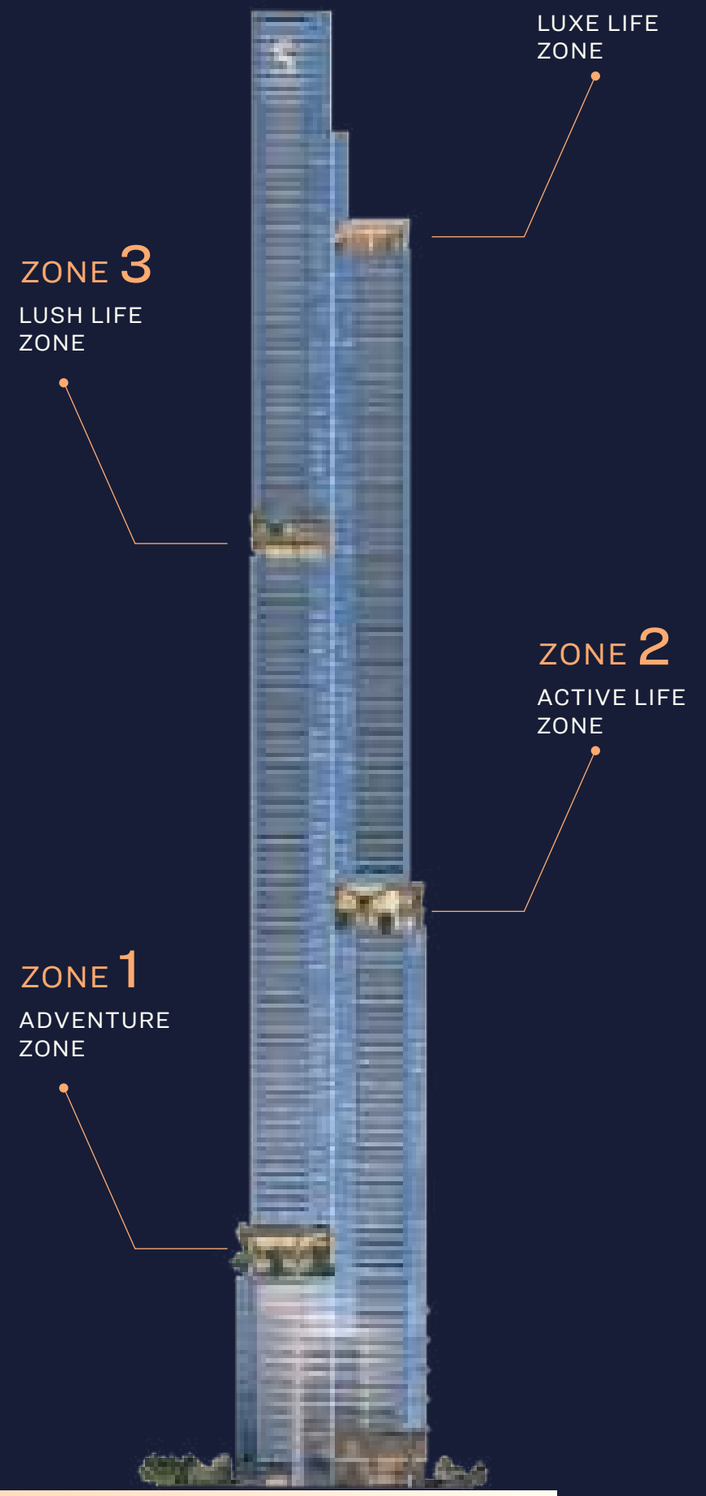

Two adjoining blocks rises in rhythm; their glass lines mirror the clouds by day and glow softly by night. It’s a silhouette that feels both graceful and grounded, a masterpiece of proportion and poise. By day, it reflects the city. By night, it reflects the stars.

This is not a tower; it’s an ascent into light.

THE SKYPARKS EXPERIENCE

While the tower carries Sobha's signature elegance, restrained and timeless, the SkyParks bring warmth, light, and celebration to the skyline. Rendered in golden hues and soft illumination, they are a declaration of life lived joyfully in the vertical.

Positioned at four various levels of the tower, the SkyParks create visual separation while forming immersive spaces that rise six stories each.

They blend indoor and outdoor experiences, crafting vibrant, layered environments filled with light, air, and movement.
